

Subject: Westario Power wants your feedback!

Hello [NAME],

Westario Power has commissioned [UtilityPULSE](#), a professional market research company specializing in the utility sector, along with its data collection partner, The Logit Group, to conduct a short survey to gather feedback and better understand the needs and wants of our customers. This is strictly a research initiative.

All feedback is welcome – you don't need to be an electricity expert! We are looking for respondents who participate in the survey, which will take approximately **10 minutes**, to provide honest feedback. Please be assured that your individual survey responses will remain strictly anonymous, and both Westario Power and UtilityPULSE teams will only see the combined responses from all those who participated in answering the survey.
